Breathe: A Memoir of Motherhood, Grief, and Family Conflict Kelly Kittel

Kelly Kittel never questioned her Mayflower Society mantra—“Family is the most important thing”—until the day her fifteen-month-old son was run over by her sixteen-year-old niece. Nine months later, Kittel’s doctor made a terrible mistake during her subsequent pregnancy and she found herself burying yet another baby. Caught up in the maelstrom of a malpractice lawsuit, Kittel and her husband battle not only the medical system, but their own relatives, in the courtroom. As their family tree begins to topple, the Kittels struggle to nourish the roots of their young family and find healing. Achingly raw and beautifully narrated, *Breathe* is a story of motherhood, death, and family in the face of unspeakable tragedy and, ultimately, how she learns to breathe again.
