Chapter after wonderful chapter. You did a great job on this book. And I know one thing for sure, I will hate to see it end. All in all a fantastic book. Way to go my friend.

I must comment on the writing. Comedic writing is often the most difficult thing an author must do.

Dialogue is in the top five. Combine the two and ask an author to present comedic dialogue- it's not easy. I like the work you did here and the timing was great. Keep up the entertainment.

The whole story was great, you set the tone in the first few lines. It was a fantastic bit of comedy that served to further define the characters, and it was damn funny too.

It has been a long time since I have read something so touching. I did not know when to cry or laugh. I wish there was an emotion to do both at the same time. What a great book!!

Excellent in every way. Great style, reminds me of David Eggers. Great emotion, great humour. That is, I must say, one of the best stories on this site. I applaud you.

Though I've yet to read all you have written, I can guarantee you THAT will certainly only be a temporary thing for me. Simply saying, I think you happen to be extraordinarily gifted at this writing thing. I look forward to checking out more of your work. Very interesting reading all the way. Keep up the great work. THANK YOU!
