While Orange Circle's Deconstructed Planner is literally the perfect canvas for some of the finest young artists to display their illustrations, it's also definitely the perfect way to get (and keep) yourself organized throughout the year. The 5 x 7.25-inch planner has a textured 100% cotton canvas cover with a slightly weathered appearance (not unlike your favorite pair of jeans) and boasts a unique exposed binding that allows the planner to stay completely flat when open. It spans a full 17 months (August 2015 through December 2016), features full-month grids, week-per-spread views and even has plenty of room to record your favorite moments of the year. Stylishly rounded corners and an elastic band closure add impeccable finishing touches. Let the planning begin!
