Hidden in the Wall: Stephanie Kessler and Trevor Whittaker focus on the cold-case murder at Magnolia College-the skeleton of a girl buried by the college library ten years before, and dug up by Trevor while he was preparing for renovations. **Missing Persons:** Lauren Owens and Seth Chartrand become personally involved in the search for a killer when Lauren's sister's carriage house is vandalized while she is staying in it. **Don't Look Back:** Professor Jameson King is pulled into the series of events when Cassie Winters' brother Scott is murdered, and he feels obligated to help her solve the murder. **In His Sights:** Someone is now watching Lauren's sister Dee Owens and her handsome boss Edgar Ortiz very closely. **A Face in the Shadows:** Everyone but Kate Brooks suspected reclusive Parker Buchanan of the ten-year old murder, because of the initials on the locket. The real killer was setting them up with clues that would lead to another double murder-their own. **Final Justice:** Mason Grant was pulled into the case when clues started popping up about the identity of the murdered girl, and the baby she had borne all those years ago. The murderer sets their sights on him for daring to find love with old friend Jennifer Pappas.
