Have you heard the call to serve the Lord at a higher capacity? The bible warns us about the state of Christianity at the end of the age. This book will equip you with the fundamental knowledge to:

- Utilize the amazing gift of The Holy Spirit living within you.
- Defend God's perfect Word against increasing attacks.
- Identify and escape Laodicean Christianity which dominates modern Christendom.
- Recognize false teachers and false teachings.
- Be motivated by the knowledge of rewards at the Bema Judgment Seat of Christ.
- Know what it means to be among the very elect.

Satan is conducting a well-orchestrated campaign in preparation for his Antichrist to take control of the world. The United States has been his biggest impediment to global socialism. As such, his strategy to destroy America is uniquely clever. While Christians are horrifically tortured and murdered in masses around the world, in America the Christians are lulled to sleep. "The Leaders Are Few" is for anyone who recognizes the rapid decline of the state of Christianity in Western culture, and would like no part of it. End-times officers must be equipped to recognize the false teachers and defend The Word of God while going against the tide of lukewarm Laodiceans. Sir Isaac Newton famously predicted, "About the time of the end, a body of men will be raised up who will turn their attention to the Prophecies, and insist upon their literal interpretation, in the midst of much clamor and opposition." If you have heard the calling to membership of this body, then this book is for you.
