The Protocols: of the Learned Elders of Zion -The Great in the Small & Antichrist Sergei Nilus

The Protocols of the (Learned) Elders of Zion is one of the most controversial books ever written. Since its publication this small book has aroused great controversy and bitter debate. It is a source of acrimony and vituperation because of its contents and its supposed authors and because it purports to describe an ancient and enduring agenda for World Empire. Moreover, the "unknown authors" of the Protocols leave no doubt in mind of the reader of their great misanthropy and hatred for the ordinary man and a rancorous enmity for God and Christ. Furthermore, that the supposed authors affect to be Jews leads the unwary reader to conclude that the Protocols are indeed a Jewish design for World Empire and so illustrates superbly the secret rancour of the Jew for the Gentile and his nations. But gentle reader, those who understand such things conclude otherwise. That there is an ancient and enduring rancour for the Gentile by certain Jews there is no doubt. Similarly, that certain Jews have always and still do work to establish Jewish hegemony over the world is not doubted by informed researchers. But what is usually not understood is that Organised Jewry –the leadership of this Jewish ambition- has been in the thrall of a small cabal of men who have for many generations used the race of Jews for a far more sinister aim than merely the establishment of a One World Government under Jewry.
