He would have given her the world if she hadn't betrayed his trust.

Top erotic fetish model Zoe Parker should have had it all. A nice house in a luxurious Seattle neighborhood, cars, clothes. But she didn't. She'd lost it all. And tonight she's going to be confronted with the only man she's ever loved, and the only man she never wants to speak to again- tech billionaire William Black.

William made billions with his social network. When he met Zoe, he was just a nerdy college student doing computer maintenance for a fetish photographer. The brilliant but socially awkward young man knew the beautiful model was out of his league, but that didn't stop him from falling in love.

Full length novel with a happily ever after ending.
