Quickly acquire the knowledge and skills you need to confidently administer, score, and interpret the KABC-II

Now designed for children aged three to eighteen, the KABC-II is among the top tier of children's tests of cognitive ability. Alan and Nadeen Kaufman, authors of the KABC-II, joined forces with Elizabeth Lichtenberger and Elaine Fletcher-Janzen to produce Essentials of KABC-II Assessment.

The best source of information on the new edition of the K-ABC, Essentials of KABC-II Assessment provides students and practitioners with an unparalleled resource for learning and application, including expert assessment of the test's relative strengths and weaknesses, valuable advice on its clinical applications, and illuminating case reports.

Like all the volumes in the Essentials of Psychological Assessment series, this book is designed to help busy mental health professionals quickly acquire the knowledge and skills they need to make optimal use of a major psychological assessment instrument. Each concise chapter features numerous callout boxes highlighting key concepts, bulleted points, and extensive illustrative material, as well as test questions that help you gauge and reinforce your grasp of the information covered.
