Grace Revealed: a memoir Greg Archer

Seventy-five years after Joseph Stalin's reign of terror across Eastern Europe, entertainment journalist Greg Archer takes a step back from Hollywood and examines his Polish family's mind-bending odyssey of the 1940s. In the process, he exposes one of the most under-reported events of the 20th Century: Stalin's mass deportation of nearly two million Polish citizens to the Siberian gulags and the life-shattering events that followed.

But the author's quest takes a dramatic turn. As he walks an emotional tightrope between the past and the present, can a serendipitous global adventure become a saving grace, heal the ancestral soul and bring justice to his family and their forgotten Polish comrades?
