Fantasy Box Set — Complete Books Anthology — Hot New Release — Vacation Reading Package — Perfect Holiday Gift Idea

10 COMPLETE NOVELS AND NOVELLAS FROM YOUR FAVORITE FANTASY AUTHORS.

Due to mature content, situations and language, this collection is recommended for audiences 18+. The Avalon Trilogy is suitable for young audiences, but can be equally enjoyed by all those young at heart. All works in this box set have been professionally proofed by Paper Gold Publishing and Pelican Proofing, unless this service was expressly refused by the author. Some stories are written in American, some in Canadian, Australian, and some in British English. The authors have chosen to stay true to their heritage.

This box set is comprised of a mix of already released novels and novellas, including a complete trilogy. Those books which are part of a series can be enjoyed fully without the need to read the complete series (though there is a chance you might develop story-addiction issues—for that, we apologize).

LEGACY is an impressive collection of fantasy stories — some darker, some intense, all suspenseful, and every one unique. 10 new worlds to explore, 10 wild adventures, 10 ways to make a new set of best friends. The perfect companion for late nights on the sofa, the perfect gift to those who enjoy a good read. Add it to your favorite kindle with one click now.
