## **Nephilim Stargates: The Year 2012 and the Return of the Watchers** Thomas Horn

One myth from the history of every great civilization spoke of beings descending from heaven and using human and animal DNA to create giant offspring. Rabbinical authorities, Septuagint translators and early church fathers understood this as a factual record of history. The phenomenon began with the Watchers who spawned Nephilim resulting in judgment from God. The ancients also knew Bible passages that predict the Nephilim will return when Iraq and Iran are invaded and destroyed. Is this prophecy about to be fulfilled? Is man, in his rush to play god through biological weapons, biotechnology, and genetic manipulation, opening gateways to a supernatural unknown? Nephilim Stargates and the Return of the Watchers is a glimpse into this past, present, and future phenomena, with an eye on what sages and scientists believe and what futurists and prophets may fear. Thomas Horn is CEO of Raiders News Network, a syndicated columnist, and the bestselling author of *The Ahriman Gate*. He has written two other books as well as dozens of published editorials and magazine articles. His works have been referred to by writers of the LA Times Syndicate, MSNBC, Christianity Today, Coast to Coast, World Net Daily, and White House Correspondents. Thomas resides outside Portland, Oregon.
