Rick Owens

Rick Owens

Rick Owens Rick Owens

This luxurious large-format book documents the work of the American designer Rick Owens, a transformational figure in contemporary fashion. Defiantly antifashion, Rick Owens's honest and intensely personal approach to craft has ironically produced some of the most sublime fashion of the last two decades, propelling him to the front ranks of the international avant-garde.

Established in 1994, Owens's subversive designs have now become some of the most critically admired in the Paris collections. Distinguished by an aesthetic that the designer has himself described as "grunge meets glamour," this gritty elegance-tempered by a remarkable restraint-has won him a fanatical international following, with admirers ranging from Kate Moss to Courtney Love to Terence Koh.

Debuting in New York in 2002 and relocating to Paris the following year, Owens cultivates an elusive appeal-without any express advertising-that has developed into something like an empire. Designed by Owens himself, this volume is full of monumental images detailing all aspects of the designer's work and sensibility. The visual narrative of this book provides an instructive look at the process of design from an artist who is at once comfortable with innovation and respectful of traditional approaches.

From reader reviews:

Abel Graham:

As people who live in often the modest era should be change about what going on or data even knowledge to make these people keep up with the era that is always change and move ahead. Some of you maybe will certainly update themselves by examining books. It is a good choice in your case but the problems coming to anyone is you don't know which one you should start with. This Rick Owens is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and need in this era.

Zachary Kirkland:

Do you one of people who can't read satisfying if the sentence chained inside the straightway, hold on guys this aren't like that. This Rick Owens book is readable by you who hate those straight word style. You will find the data here are arrange for enjoyable reading through experience without leaving even decrease the knowledge that want to give to you. The writer associated with Rick Owens content conveys the thought easily to understand by many people. The printed and e-book are not different in the content but it just different such as it. So , do you still thinking Rick Owens is not loveable to be your top list reading book?

Julia Jenkins:

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just minor students that has reading's internal or real their pastime. They just do what the professor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Rick Owens can make you experience more interested to read.

Keith Mayo:

Some people said that they feel fed up when they reading a e-book. They are directly felt the idea when they get a half portions of the book. You can choose the book Rick Owens to make your current reading is interesting. Your personal skill of reading talent is developing when you similar to reading. Try to choose basic book to make you enjoy to learn it and mingle the sensation about book and examining especially. It is to be very first opinion for you to like to available a book and read it. Beside that the book Rick Owens can to be your brand-new friend when you're really feel alone and confuse with what must you're doing of this time.
