Routledge Handbook of Civil Wars (Routledge Handbooks)

Routledge Handbook of Civil Wars (Routledge Handbooks)

This comprehensive new Handbook explores the significance and nature of armed intrastate conflict and civil war in the modern world.

Civil wars and intrastate conflict represent the principal form of organised violence since the end of World War II, and certainly in the contemporary era. These conflicts have a huge impact and drive major political change within the societies in which they occur, as well as on an international scale. The global importance of recent intrastate and regional conflicts in Afghanistan, Pakistan, Iraq, Somalia, Nepal, Cote d'Ivoire, Syria and Libya – amongst others – has served to refocus academic and policy interest upon civil war.

Drawing together contributions from key thinkers in the field who discuss the sources, causes, duration, nature and recurrence of civil wars, as well as their political meaning and international impact, the Handbook is organised into five key parts:

- **Part I:** Understanding and Explaining Civil Wars: Theoretical and Methodological Debates
- **Part II:** The Causes of Civil Wars
- **Part III:** The Nature and Impact of Civil Wars
- **Part IV:** International Dimensions
- **Part V:** Termination and Resolution of Civil Wars

Covering a wide range of topics including micro-level issues as well as broader debates, *Routledge Handbook of Civil Wars* will set a benchmark for future research in the field.

This volume will be of much interest to students of civil wars and intrastate conflict, ethnic conflict, political violence, peace and conflict studies, security studies and IR in general.

Gregory Phipps:

As we know that book is very important thing to add our information for everything. By a guide we can know everything you want. A book is a pair of written, printed, illustrated or even blank sheet. Every year had been exactly added. This guide Routledge Handbook of Civil Wars (Routledge Handbooks) was filled concerning science. Spend your spare time to add your knowledge about your science competence. Some people has diverse feel when they reading a new book. If you know how big benefit from a book, you can experience enjoy to read a publication. In the modern era like right now, many ways to get book that you wanted.

Charles Frye:

As a pupil exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that examining is not important, boring as well as can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Routledge Handbook of Civil Wars (Routledge Handbooks) can make you truly feel more interested

to read.
