[Menage Amour: Erotic Paranormal Menage a Trois Romance, M/F/M, vampires, light bondage, ice play, HEA] Selena Blake's life has gotten a lot more complicated since reuniting with Bree, her childhood friend. Diagnosed with lupus and told she only has a few months to live, she is focused on only one thing to help Bree save her father. Max Golitsin and Xander Rostov have been through their own hell. First turned and then captured, they had to flee for their lives from Russian peasants. Then they spent over a century searching for their mate. Arriving at Eternity to help with the new club, they meet Selena and realize she is the mate they've been searching for. Now they have to convince her, and that won't be so easy. While trying to protect her, they push her right into danger. When evil forces and her illness threaten to end her life, they have to make some difficult choices. Will they be able to get to her in time to save her life? Or will they have to make the ultimate sacrifice? Note: While Twice Bitten and Bewitched is a stand alone title, it is suggested that this series be read in order for continuity. \*\* A Siren Erotic Romance
