Evolution Of Language, The - Proceedings Of The 10Th International Conference (Evolang10)

This volume comprises refereed papers and abstracts of the 10th International Conference on the Evolution of Language (Evolangx), held in Vienna on 14–17th April 2014. As the leading international conference in the field, the biennial Evolang meeting is characterised by an invigorating, multidisciplinary approach to the origins and evolution of human language, and brings together researchers from many subject areas, including anthropology, archaeology, biology, cognitive science, computer science, genetics, linguistics, neuroscience, palaeontology, primatology and psychology. For this 10th conference, the proceedings will include a special perspectives section featuring prominent researchers reflecting on the history of the conference and its impact on the field of language evolution since the inaugural Evolang conference in 1996.
