## **Forbidden** Beverly Jenkins

*USA Today* bestselling author Beverly Jenkins returns with the first book in a breathtaking new series set in the Old West

Rhine Fontaine is building the successful life he's always dreamed of—one that depends upon him passing for White. But for the first time in years, he wishes he could step out from behind the façade. The reason: Eddy Carmichael, the young woman he rescued in the desert. Outspoken, defiant, and beautiful, Eddy tempts Rhine in ways that could cost him everything . . . and the price seems worth paying.

Eddy owes her life to Rhine, but she won't risk her heart for him. As soon as she's saved enough money from her cooking, she'll leave this Nevada town and move to California. No matter how handsome he is, no matter how fiery the heat between them, Rhine will never be hers. Giving in for just one night might quench this longing. Or it might ignite an affair as reckless and irresistible as it is forbidden . . .

### From reader reviews:

#### **Leslie Martin:**

Book is to be different for every single grade. Book for children right up until adult are different content. To be sure that book is very important for us. The book Forbidden was making you to know about other expertise and of course you can take more information. It is rather advantages for you. The book Forbidden is not only giving you more new information but also to be your friend when you truly feel bored. You can spend your current spend time to read your publication. Try to make relationship with the book Forbidden. You never truly feel lose out for everything should you read some books.

#### **Dennis Jenkins:**

Now a day those who Living in the era just where everything reachable by match the internet and the resources inside it can be true or not involve people to be aware of each details they get. How many people to be smart in obtaining any information nowadays? Of course the solution is reading a book. Looking at a book can help persons out of this uncertainty Information specifically this Forbidden book because this book offers you rich data and knowledge. Of course the data in this book hundred percent guarantees there is no doubt in it you probably know this.

#### **Trina Durham:**

Information is provisions for folks to get better life, information presently can get by anyone on everywhere. The information can be a information or any news even a concern. What people must be consider whenever those information which is in the former life are challenging be find than now is taking seriously which one works to believe or which one often the resource are convinced. If you get the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All those possibilities will not happen in you if you take Forbidden as your daily resource information.

#### **Patricia Humes:**

Forbidden can be one of your starter books that are good idea. Many of us recommend that straight away because this reserve has good vocabulary which could increase your knowledge in vocab, easy to understand, bit entertaining but delivering the information. The article author giving his/her effort to put every word into enjoyment arrangement in writing Forbidden but doesn't forget the main point, giving the reader the hottest and also based confirm resource information that maybe you can be one of it. This great information can certainly drawn you into brand-new stage of crucial considering.
