Green Machine Ron Brunk

Alexia Publishing House Masterpiece Series is proud to present "GREEN MACHINE," a magnum opus of suspense, love, murder, terrifying dreamscapes, poetic prose, heartbreak and adventure. Native American drumbeats pulse through a beatnik atmosphere, and middle-American malaise meets red rock voodoo as lost souls go on the road across America in search of destiny, revenge, and the perfect bologna sandwich.

"GREEN MACHINE" is at times disturbing, obtuse, delightful, or inspiring; with grand, soaring passages that induce echoes of Kerouac and visions of Updike. Find love on the hood of a Ford Bronco and death in the back of an Econoline Van as this odd and mysterious book draws you in with its dark magic. You won't want to put down the "GREEN MACHINE."
