**Heavy Weather: A Carolina Coast Novel (Carolina Coast Stories) (Volume 2)** Normandie Fischer  
Another Carolina Coast novel from the author of Becalmed. It takes a town to save a child. That town in Beaufort. Annie Mac's estranged husband vows that nothing will stop him from getting his baby girl. Not Annie Mac and certainly not that boy of hers. Only four blocks away, Hannah Morgan lives in comfort with her husband and dog, making pottery and waiting for her best friend to come home. When she discovers the two children cowering in the bushes and their mama left for dead, it doesn't take her long to rally the sleepy town of Beaufort, NC, and to set her coterie of do-gooders to some extra-strength do-gooding. Add in Clay, a lonely police lieutenant yanked out of his comfort zone and into the heart of this small family, and who knows what will happen?
