Regions of Captivity Dr Ana Mendez Ferrell

This book is a study of one of the most powerful revelations God has given me. Delivering captives in the traditional manner requires a lot of time, dedication, physical and spiritual strength, a price few are willing to pay. The battle can be fierce due to the ruthless manifestations of the demons. The reality is many times this type of deliverance is unsuccessful. However, there is an easier, more efficient way to deliver people and it is how Jesus did it. Jesus didn't come to earth simply to save us and to die for our sins, but also to give us freedom in every area of our life. He conquered the devil's empire and set the captives free. This goes beyond casting out demons of the occult, drugs, alcohol, etc. Captivity plays a role in the lives of all mankind
