Soul Currency: Investing Your Inner Wealth for Fulfillment & Abundance Ernest D. Chu

In tough times, we look outside ourselves for things to change instead of looking inward, where true abundance resides. It's tempting to downplay important values like generosity, integrity, and intuition. These niceties can take a backseat because we think the world needs to change before we can find wealth. But they are what make it possible to find prosperity, no matter what happens in the world around us. These inner traits help us reach our outer goals.

Ernest Chu's transformational concept of "soul currency" refers to both something we use to exchange value (as with money) and the circulation of a divine force in our lives. Chu's own example, as an entrepreneur who pulled himself out of crushing debt, shows his practical, ready-to-implement principles in action. Soul currency bridges the material world of finance and the invisible world of Spirit, allowing abundance to come to us and flow through us.

When we tap into the creative force of soul currency, we can experience unprecedented abundance and fulfillment.

From reader reviews:

Donna Cancel:

What do you concentrate on book? It is just for students because they are still students or the idea for all people in the world, what the best subject for that? Only you can be answered for that problem above. Every person has distinct personality and hobby for every single other. Don't to be compelled someone or something that they don't wish do that. You must know how great and also important the book Soul Currency: Investing Your Inner Wealth for Fulfillment & Abundance. All type of book can you see on many options. You can look for the internet solutions or other social media.

Pam Boyd:

Information is provisions for folks to get better life, information these days can get by anyone with everywhere. The information can be a knowledge or any news even restricted. What people must be consider any time those information which is inside former life are challenging to be find than now is taking seriously which one is acceptable to believe or which one often the resource are convinced. If you receive the unstable resource then you understand it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Soul Currency: Investing Your Inner Wealth for Fulfillment & Abundance as your daily resource information.

Thomas Burke:

People live in this new moment of lifestyle always make an effort to and must have the extra time or they will get lots of stress from both way of life and work. So , whenever we ask do people have extra time, we will say absolutely of course. People is human not really a huge robot. Then we ask again, what kind of activity do you possess when the spare time coming to a person of course your answer may unlimited right. Then ever try this one, reading books. It can be your alternative throughout spending your spare time, typically the book you have read is actually Soul Currency: Investing Your Inner Wealth for Fulfillment & Abundance.

Fern Gooding:

Playing with family in a very park, coming to see the sea world or hanging out with close friends is thing that usually you will have done when you have spare time, subsequently why you don't try thing that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Soul Currency: Investing Your Inner Wealth for Fulfillment & Abundance, you may enjoy both. It is fine combination right, you still desire to miss it? What kind of hang-out type is it? Oh can happen its mind hangout guys. What? Still don't have it, oh come on its called reading friends.
