What to expect when you're expecting? For two best friends with different dreams about motherhood, it's a nine-month roller coaster ride. Creative director Taylor Montgomery gets the surprise of her life when she finds out she's pregnant the same day her best friend, Hilarie, finds out she's not. Taylor never wanted to be a mom, but it's all Hilarie has dreamed about. *The Stork Reality: Secrets from the Underbelly* updates the original novel about the journey to motherhood and how pregnancy changes marriage, work, and even close friendships. Taylor experiences the stork reality as she maneuvers the wild new world of moms-to-be and comes to terms with what it means to be a family and a true friend. This humorous, poignant novel will appeal to women and moms in all stages and celebrates that no two pregnancies, moms or approaches to motherhood are the same.
