Alpha Slave Anna Voo

*A whole new world of werewolves and vampires - and most of them want me dead.*

Graduate student Elle Lawrence has never truly believed in vampires or werewolves. Even though her Master's degree focuses on legends in medieval literature, she knows that these supernatural creatures aren't real.

At least, until a handsome, alpha male werewolf named Stavros tries to pick her up at a bar - but instead helps her fight off murderous vampires.

Thrown headfirst into an entire new world filled with shapeshifters and vampires, hiding in plain sight, Elle finds herself pursued by supernatural enemies, all of them intent on killing both her and Stavros. If Elle wants to ever be safe again, she'll have to embrace her dark, powerful new ally and dig deep into this new and magical underworld.

**This 60,000 word standalone shifter romance with a HEA ending is the first in a series about the hidden supernatural world that intersects with our own. Filled with high-stakes, spine-tingling thrills and steamy, arousing romance, ALPHA SLAVE is sure to keep you on the edge of your seat and clamoring for more!**

Content Warning: this book contains explicit love scenes, naughty language, and plenty of strong, alpha male action!
