Assessment: In Special and Inclusive Education John Salvia, James Ysseldyke, Sara Bolt

The market-leading professional resource in the field, this text offers basic assessment information and a handbook of actual reviews of the tests most often administered in K-12 schools. Assessment is recognized for its honest and even-handed reviews of common standardized tests administered by assessment personnel in the areas of achievement, intelligence, language, math, and reading. The text also helps teachers and school psychological personnel become more informed consumers and users of these tests. Comprehensive coverage includes both standardized (formal) and classroom (informal) assessment, such as portfolio assessment, outcome-based assessment, observation, ecological assessment, and teacher-made tests.
