The next sexy, suspenseful installment in Dixie Lee Brown's Trust No One series . . .

Beautiful but deadly, Rayna Dugan is a force to be reckoned with—even in heels. But when her plans for the evening suddenly involve defending her life against a criminal empire, Rayna knows she needs backup. The choice she made to leave Ty and her old mercenary team in Montana starts to seem like a bad call. She's been running from her feelings for the tough, rugged man, but Rayna needs Ty now more than ever. Yet when Ty becomes the new target, his help could mean his death . . .

Ex-cop Ty Whitlock has spent the last six years waiting for his past to catch up with him. When it finally does, he isn't expecting the woman he loves—the one who walked out on him—to be caught in its web. He knows she's moved on, but he can't help wanting another chance with the petite beauty. Ty's got only one choice: find Rayna and keep her safe. But that's the easy part. Once he finds her, can he convince her to stay?
