First a soldier and then a diplomat, Juberi now spends his solitary days on a single ambition: trying to resurrect the phoenix, which has been extinct for centuries. He's not pleased when he is obligated to attend a public ceremony in memory of an elderly friend and former colleague. But at the ceremony, Juberi meets the friend's beguiling son, Desen. Despite being from a markedly different culture, Desen has much to offer. But after decades of denying his own desires, Juberi fears there is no alchemy that will reopen him to love.

A story from the Dreamspinner Press 2015 Daily Dose package "Never Too Late."
