One single e-mail can alter the course of her life...

In spite of her successful career, Mia Grace is riddled by insecurities that stem from her troubled childhood. While she manages to rapidly rise to the top of one of the best marketing companies in New York, she's secretly hoping that someone will sweep her off her feet and break the walls she'd so meticulously carved around her. Heck, she's never even been with a man before.

Tall, with thick bronze hair and a devastating smile that can reduce any woman to a puddle, the dashing billionaire **Jared Paul** is called by the company to act as a consultant. But the last thing he expected was for someone to finally win his fiercely-guarded heart.

An embarrassing wardrobe malfunction, coupled with some devious scheming from a drunk friend, leads to an intensely passionate whirlwind affair that sweeps both Mia and Jared off their feet.

That is, until Mia discovers the terrible truth that would send everything crashing down!

Is their love strong enough to handle the explosive secrets? And as two fiery personalities clash, will they somehow manage to find their way back to each other again?

***Sensual Secrets is a full standalone novel with a happy-ever-after and NO CLIFFHANGER*!**
