Do you want to improve your call of duty kill/death ratio but dont know where to start?

Do you want to be a killing machine but end up becoming a death magnet?

Look nomore as i have created a step by step manual showing you the do's and don't's to make you a unbelievable player. You may look on the internet allday and find tips and tricks to improve your game but without a constant drill the movements will never sink in and you will never improve. A professional athlete uses drills to improve there game in a specific area, you to will be using drills to make you acustomed to using professional tactics. Whether you are a newbie or a seasoned player this manual has something for everyone. Why not make your time on Call of Duty that much more satisfying by using my guide to make you the best player you could possibly be.
