Critical Realism in Economics: Development and Debate (Economics as Social Theory)

Critical Realism in Economics: Development and Debate (Economics as Social Theory)

Drawing on the fields of economic methodology and economic theory, this title opens up new forms of investigation in economics and transforms the nature of economic reasoning. The work combines contributions from authors critical of this approach with those who are concerned to clarify its full implications for contemporary economics. This is a volume of reflection and learning by some of the leading authorities in the field of economic philosophy.
