For over twenty-five years, *His Needs, Her Needs* has been transforming marriages all over the world. Now this life-changing book is the basis for an interactive six-week study designed for use in couples' small groups or retreats, pre-marital counseling sessions, or by individual couples.

Willard F. Harley, Jr. and his wife, Joyce, explain the important concept of the Love Bank, and teach them to meet each other's emotional needs for affection, sex, intimate conversation, companionship, family commitment, physical attractiveness, honesty and openness, and admiration. As couples walk through the study together they will remember why they fell in love in the first place, renew their commitment to their marriage, and rediscover their passion.
