ORTHODOXY and AUTHORDOXY: On the Right Faith G. K. Chesterton, Alan Handsacre, Gilbert Keith Chesterton, Jess Matthews

"Those who have read Chesterton realize that he is the sort of man with whom the world is blessed every 100 years or so. A master writer and wry philosopher, Chesterton provides in his book *Orthodoxy* one of the best summaries available concerning the life in Christ. Even though he found God calling him to the Church of Rome, readers from a wide range of backgrounds - evangelical Protestants of all "flavors", fundamentalists, Eastern Orthodox, Episcopalians, Baptists, Pentacostalists, Lutherans, and yes, Roman Catholics - will discover new insights into their walk with the Christ. Chesterton has the ability to make us see things anew. In *Orthodoxy*, he helps us to see the Church in a new way, and he helps us to see afresh the One who founded His Church - Jesus Christ. The book is not an apologetic for Roman Catholicism, but rather one for orthodox Christianity itself. Chesterton is simultaneously a master of the written word and one who knows his Master. To borrow a phrase (applied to something else, but applicable here) of Richard John Neuhaus, Chesterton is a "singular grace note in God's creative purpose". For those who have not read Chesterton, *Orthodoxy* is probably the best place to start, followed by *The Everlasting Man*, followed by the delightful (and insightful) *Father Brown* stories..."
