Steve Jobs - The Fake Biography John Smith

WARNING TO READERS!

This is not the official biography of Steve Jobs. In fact I have never met Steve Jobs, nor been authorized to write his biography. But that doesn't stop me from writing a book that captures the genius of the greatest mind of the present century.

If you have been bored with the original version, this book is going to blow you away with its fake originality.

There is no random rants from the life of Steve Jobs here.

There are no boring episodes.

Not even quotes that will make you sleepy.

Instead, you will go on a roller coaster ride through the mind of Steve Jobs in a way that very few people knew could happen or imagine. Come with me on this spectacular journey and I promise you a Steve Jobs that you have never before seen or will ever again!

Steve Jobs revolutionized the world with his innovative thinking and unique management style that made Apple the most loved brand across the world. Although we love the iPod, the iPhone and the iPad, no one really knows where these ideas came from.

In 'Steve Jobs - The Fake Biography', John Smith uncovers the Amazing Story of Innovation and Thinking that few people know about or has been discussed outside a close circle of people who knew and admired Steve Jobs.

Steve Jobs is responsible for changing technology in a literal sense, but he also changed the way that people perceive and interact with technology by making it accessible and easy for anyone to use.

Steve created a legacy of quality products, and was never afraid to push the envelope and think outside the box to make Apple the leader in technology for the masses.

His technological innovations directly shaped web design, but his perception and high opinion of the importance of design also shaped the way in which all of us see his creations, and technology as a whole.

Now in 'Steve Jobs - The Fake Biography', John Smith invites you on a journey to discover the thinking behind one of the greatest minds of this century and also shows you how you can apply these techniques to change your workplace and your life.
