"Your new friends are waiting for you. It's time to play..."

All Hannah wanted was a summer job, something to keep her from having to go home during her college summer break. The last thing she expected was a mysterious stranger to invite her out to the private yacht of **gorgeous billionaire** Evan Harrow. He's not looking for a deck hand, though—he wants to hire her for a much more *intimate* purpose.

Evan and his **gang of handsome friends** are setting sail, and they would love Hannah's company for the voyage. The pay would make it well worth her while, and they promise she'll enjoy what they have planned for her. The money is so tempting, but can she really do it? Can Hannah offer up her body to this gang of stallions, let them have their way with her, let them show her new pleasures she's never even dreamed of before?

If she takes this job, she's going to be at the whims of an **entire gang of wealthy men** who all want to have her at once—hard, fast and without any protection—and somehow, the deal is looking too good to pass up!

The rest of this story is too hot for us to tell you in this blurb, so check out the "Look Inside" preview for all the steamy details.
