Accessing Alcuin: A Master Bibliography for 'Alcuin: His Life and Legacy' and 'Alcuin: Theology and Thought' Douglas Dales

Accessing Alcuin enables an excellent multi-disciplinary appreciation of the scholar and theologian, Alcuin, through the manuscript collections and scholarship of medieval history and culture, European Church history and theology. Douglas Dales has provided an authoritative bibliography that comprehensively incorporates the research material that enabled him to complete his definitive study of Alcuin. In this two-volume study, *Alcuin: His Life and Legacy* and *Alcuin: Theology and Thought* (both available from James Clarke and Co Ltd), the author demonstrated that the eighth-century theologian, teacher, and statesman was a seminal influence on his generation and those after him. This bibliography is a reflection of the immense research undertaken to reveal not only the rich panorama of Christian culture during the reign of Charlemagne, which is well supported by primary texts and secondary scholarship of high quality, but also the warm personality of Alcuin. This culmination of intense study, academic rigour and historical sensitivity will prompt a fresh evaluation and appreciation of the foundations of Christian culture in Europe. Accessing Alcuin is readily accessible as an e-resource for anyone teaching or researching this subject.
