Sinclair Lewis

Arrowsmith Sinclair Lewis

With an afterword by E. L. Doctorow—the Pulitzer Prize-winning novel of one man's pursuit of intellectual freedom in the face of ignorance and corruption, from the author of *Babbitt*

Arrowsmith, the most widely read of Sinclair Lewis's novels, is the incisive portrait of a man passionately devoted to science. As a bright, curious boy in a small Midwestern town, Martin Arrowsmith spends his free time in old Doc Vickerson's office avidly devouring medical texts. Destined to become a physician and a researcher, he discovers that societal forces of ignorance, greed, and corruption can be as life-threatening as the plague.

Part satire, part morality tale, Lewis's Pulitzer Prize-winning novel illuminates the mystery and power of science while giving enduring life to a singular American hero's struggle for integrity and intellectual freedom in a small-minded world.

With an Introduction by Sally E. Parry
and an Afterword by E. L. Doctorow

From reader reviews:

Lee Durfee:

Information is provisions for folks to get better life, information nowadays can get by anyone in everywhere. The information can be a information or any news even restricted. What people must be consider when those information which is inside former life are challenging be find than now's taking seriously which one would work to believe or which one the resource are convinced. If you obtain the unstable resource then you buy it as your main information it will have huge disadvantage for you. All of those possibilities will not happen inside you if you take Arrowsmith as your daily resource information.

Evelyn Brown:

Reading a book tends to be new life style on this era globalization. With reading through you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can easily share their idea. Books can also inspire a lot of people. A great deal of author can inspire their very own reader with their story as well as their experience. Not only the storyplot that share in the textbooks. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors these days always try to improve their expertise in writing, they also doing some exploration before they write to their book. One of them is this Arrowsmith.

Otis Kozlowski:

Spent a free a chance to be fun activity to do! A lot of people spent their free time with their family, or their own friends. Usually they doing activity like watching television, gonna beach, or picnic from the park. They actually doing same every week. Do you feel it? Would you like to something different to fill your personal free time/ holiday? Could possibly be reading a book could be option to fill your free of charge time/ holiday. The first thing you ask may be what kinds of guide that you should read. If you want to try look for book, may be the publication untitled Arrowsmith can be excellent book to read. May be it is usually best activity to you.

Pamela Eckert:

This Arrowsmith is great publication for you because the content and that is full of information for you who also always deal with world and still have to make decision every minute. This specific book reveal it data accurately using great coordinate word or we can point out no rambling sentences included. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but challenging core information with wonderful delivering sentences. Having Arrowsmith in your hand like obtaining the world in your arm, facts in it is not ridiculous one. We can say that no book that offer you world within ten or fifteen small right but this publication already do that. So , this can be good reading book. Heya Mr. and Mrs. active do you still doubt which?
