## Girl Meets Boy: Because There Are Two Sides to Every Story

What do guys and girls really think? Twelve of the most dynamic and engaging YA authors writing today team up for this one-of-a-kind collection of "he said/she said" stories—he tells it from the guy's point of view, she tells it from the girl's. These are stories of love and heartbreak. There's the good-looking jock who falls for a dangerous girl, and the flipside, the toxic girl who never learned to be loved; the basketball star and the artistic (and shorter) boy she never knew she wanted; the gay boy looking for love online and the girl who could help make it happen. Each story in this unforgettable collection teaches us that relationships are complicated—because there are two sides to every story.
