## **POWER OF THE PIE MARENDA**

Growing up in Oakland, you never knew what to expect. Some days the city was the place to be, and others it was a living nightmare. Children coming up in Oakland learn that people in the neighborhood is family, and you watch each other's back.

Jordan, Alexis, and Snow were the best of friends, and to outsiders appeared to be related by blood. Looking from the outside in, they were three typical teenage girls, but then one summer, everything changed.

For years, the girls of Oakland were being kidnapped and forced to grow up too soon. Escaping the reality of their new lives was impossible. Their innocence was gone and the struggle to survive became all that mattered.

For this group of young women, two things become the focus in their lives: revenge and survival.
