Quarter Life Poetry: Poems for the Young, Broke and Hangry Samantha Jayne

The creator of the popular *Quarter Life Poetry* Tumblr and Instagram tackles real-life truths of work, money, sex, and many other 20-something challenges in this laugh-out-loud collection of poetry.

Samantha Jayne knows that life post-college isn't as glamorous as all undergrads think it's going to be... because she's currently living it. At 25, Samantha began creating doodles and funny poems about her #struggle to share with friends on Instagram. To her surprise, these poems were picked up by 20-somethings all around the world who agreed, "This is literally us." At a time when it seems like everyone else is getting married, snagging a dream job, and paying off their student loans, Samantha's poetry captures the voice of young people everywhere who know that your 20s can sometimes be the exact opposite of "the best years of your life."
