So Far Gone, Girl: A Gone Girl Parody Luke Young

What do you say when the wife you absolutely can't stand goes missing? - "Pour me another drink!"

Read the hilarious parody of Gone Girl. Get the ending you were hoping for and laugh your ass off along the way.

Marriage can be a real nightmare; especially when your wife is a sociopath, who's either trying to kill you, frame you for her disappearance or maybe even both. Supported by his sister whose own behavior is inappropriate at best, a pair of lunatic detectives and in-laws with questionable motives, Rick Duncie tries to navigate the tricky waters of exactly how one should act when the woman he absolutely can't stand disappears without a trace.

If this Husband-of-the-Year is truly responsible, did he act in self-defense or did one too many bizarre quiz questions or inane treasure hunt clues finally push him over the edge? Whether Winnie is missing, dead or just hiding out, the only thing that's certain is she's so far gone that it's not even funny— except that it is.

A parody of, Gone Girl, Gillian Flynn's acclaimed and runaway bestselling masterpiece, So Far Gone, Girl, will leave you doubled over with laughter, gasping for breath and checking to see if your own ottoman can really balance on its side like that.

What readers are saying...

"... there are some great one-liners... And that ending was great. I think it's the ending a lot of us hoped for, but didn't get, in GONE GIRL" - Nenia Campbell (The Armchair Librarian)

"... kept me glued to the pages in elated hilarity. From the first line, I was cracking up, and that didn't relent almost the entire time." - Hayden Casey (The Teen Bookworm)

"... I started laughing the first page and never stopped. I've read the original and let me tell you, while I was shocked and couldn't stop reading about that crazy wife and the insane thing she did, nothing compares to Luke Young's version. I really enjoyed this story. A great read!"
