The Muffs, a band of born-agains who travel in a white cargo van on their weekly trips to the strip malls of Mishawaka Indiana, are just your average middle class Midwestern family. And this particular visit to the local Barnes & Noble bookstore is no different from their normal routine, at first...

This satirical short story takes on closeted family values that meet consumerist ideals in the upper Midwest when a weekly trip to the big box bookstore is the closest a bizarre family gets to touching base with reality.
