In book seven of Galactic Cage Fighters: Left with no choice, Isis flees her home world and goes to the one place her own people would never think to look for her. She signs on as a fighter for the Galactic Cage Fighters Association on the halfsie side. A new start for a new life, in a career she loves and friends she adores. Unexpectedly, she finds herself attracted to the wrong male. Her only problem, her new life may be threatened as those that wish to control her and return her to her old life close in on her.

Torch is a Voltan halfsie fighting for the Galactic Cage Fighters Association. He joined the GCFA so he could get to know his niece that he never knew existed. Torch knows he has a tendency to self-destruct but can't seem to stop drowning his loneliness in alcohol and females. That was until her—Isis. The one female who refuses his flirtations, which drives him crazy. How could any female deny him?

Torch is fire and Isis is ice. The moment Torch sees her he knows he has to have her. And he is the one temptation Isis cannot deny. Do they give in to their mutual attraction or will their passion erupt and burn them both? Alternatively, will the truth of who Isis is pull them apart forever?
