# Fire Season: Field Notes from a Wilderness Lookout

*Philip Connors*

**Fire Season: Field Notes from a Wilderness Lookout** Philip Connors

“*Fire Season* both evokes and honors the great hermit celebrants of nature, from Dillard to Kerouac to Thoreau—and I loved it.”

—J.R. Moehringer, author of *The Tender Bar*

“[Connors’s] adventures in radical solitude make for profoundly absorbing, restorative reading.”

—Walter Kirn, author of *Up in the Air*

Phillip Connors is a major new voice in American nonfiction, and his remarkable debut, *Fire Season*, is destined to become a modern classic. An absorbing chronicle of the days and nights of one of the last fire lookouts in the American West, *Fire Season* is a marvel of a book, as rugged and soulful as Matthew Crawford’s bestselling *Shop Class as Soulcraft*, and it immediately places Connors in the august company of Edward Abbey, Annie Dillard, Aldo Leopold, Barry Lopez, and others in the respected fraternity of hard-boiled nature writers.
