Quien se ha llevado mi queso? (Spanish Edition) Spencer Johnson

Había una vez dos ratoncitos y dos hombrecillos que vivían en un laberinto. Estos cuatro personajes dependían del queso para alimentarse y ser felices. Como habían encontrado una habitación repleta de queso, vivieron durante un tiempo muy contentos. Pero un buen día el queso desapareció...

Esta fábula simple e ingeniosa puede aplicarse a todos los ámbitos de la vida. Con palabras y ejemplos comprensibles incluso para un niño, nos enseña que todo cambia, y que las fórmulas que sirvieron en su momento pueden quedar obsoletas. El "queso" del relato representa cualquier cosa que queramos alcanzar "la felicidad, el trabajo, el dinero, el amor" y el laberinto es la realidad, con zonas desconocidas y peligrosas, callejones sin salida, oscuros recovecos... y habitaciones llenas de queso.

Escrito por un autor de fama internacional, este relato está prologado por un renombrado consultor empresarial. Sus enseñanzas han servido de inspiración en todo tipo de compañías y organizaciones empresariales.
