Acting Stupid - The Story of Stupid is a compilation of stories of people acting stupid and committing stupid acts and not realizing that they are doing it. I have compiled some of the best stupid people quotations as well as stupid quotes for stupid people. I have even listed sayings for dumb people too and some of the silly stuff to do to mimic what they do. The Story of Stupid is a funny book for parenting and families and is not meant to put down any culture or race of people. Life is tough; it's tougher if you are stupid! Stupid people are everywhere. It is designed to provide you with entertainment while at the same time grounding you in an overall sense of oneness with others around you. We have all done stupid things but seemingly some people practice it as a lifestyle. The Story of Stupid will keep you laughing and it will make you think.
