The Voice of Spirit: Ascension into the Greater Reality of Self Janice L. Johnson

In *The Voice of Spirit: Ascension into the Greater Reality of Self*, Janice Johnson relates her true life account of multidimensional expansion and integration into I AM consciousness in the form of a dialogue with the voice of spirit, just as it happened for her. As she incorporated the lessons of spirit into her life, she soon realized that though she is a physical being living in a physical reality, she is only one aspect of her greater multidimensional being. In her continued expansion into the divine, she opened to the ecstatic lovemaking of the soul. As the veil continued to thin, she became aware of the divine masculine of her dreams: her twin ray, the only other whole half of herself, a master of unconditional love and ecstasy of spirit who represents for her the Passionate Love that Encompasses All.
