Carry Me Home: A Novel Sandra Kring

The love of family. The heartbreak of war. The triumph of coming home.

1940. Rural Wisconsin. Sixteen-year-old Earl “Earwig” Gunderman is not like other boys his age. Fiercely protected by his older brother, Earwig sees his town and the world around him through the prism of his own unique understanding. He sees his mother’s sadness and his father’s growing solitude. He sees his brother, Jimmy, falling in love with the most beautiful girl in town. And while Earwig is unable to make change for customers at his family’s store, he is singularly well suited to understand what other people in his town cannot: that life as they know it is about to change; the coming war will touch them all.

For Jimmy will enlist in the military. And Earwig will watch his parents’ marriage buckle under the strain of a family secret. And when Jimmy returns—a fractured shadow of his former self—it is Earwig’s turn to care for him. His struggles to right the wrongs visited upon his revered older brother by war, women, and life are at once heartwarming and riotously funny. Their family and town irrevocably altered, Earwig and Jimmy fight to find their own places in a world changed forever.
