Now What?: The Young Person's Guide to Choosing the Perfect Career Nicholas Lore

The impolite truth nobody mentions in college commencement speeches: "Many of you have just spent four years and a small fortune studying something you will never use, and, if you do, you won't like all that much. Have a nice life." Up until now, you've had to rely on hit-and-miss methods of picking your career that lead to only 30 percent of college graduates reporting satisfaction with their careers.

That's because up until now there has never been a book that guides you through the difficult process of designing a career that gives you the best chance for both high-level success and satisfaction. But career guru Nicholas Lore has found a way to show you how to custom design a career where you will:

Look forward to going to work

Be extremely successful and productive

Use your natural talents fully in work that fits your personality

Be highly respected because you excel at your work

In *Now What?*, he helps you put all the pieces together to make wise decisions about what you will do with your life and how you can best go about setting and accomplishing your life and work goals. You'll also learn the skills you need to live an extraordinary life.

Filled with charts, worksheets, and quizzes, *Now What?* is the cutting-edge guide for choosing a career that fits you perfectly -- whether you're a college student, a twentysomething already out in the working world, or a high school student just getting started.
