The Jim Crow Laws and Racism in United States History

David K. Fremon

The Jim Crow Laws and Racism in United States History David K. Fremon

Highlighting the efforts of both blacks and whites to promote racial equality in the face of violent attempts to preserve white supremacy, Author David K. Fremon shows how segregation made the South a caste system. He traces the history of racial discrimination from the end of the Civil War through the Jim Crow era of segregation. After years of enduring separate facilities—including water fountains, telephone books, hospitals, and cemeteries—for whites and blacks, Fremon shows how African Americans and their white supporters were eventually able to win the battle for equal rights.
