**Enter a world where love is the most powerful magic.**

"One of those rare treasures you hope will never end." —*The Romance Reviews*

*A magical prince. A twisted sorcerer. A woman born of secrets.*

When an unexpected inheritance leads Jilian Stewart to her mother's native Scottish Highlands, calamities rain down. A deadly paralysis strikes her mother, and Jilian is plagued by bizarre visions of a handsome, mysterious stranger. One night her visions become terrifying reality: the stranger catapults Jilian into a magical battle on another world, where she becomes his most dangerous weapon. She must accept new truths: magic is real, she has it, and thousands of lives are at stake.

Prince Alvarr is desperate. His people are threatened by the darkest of sorcerers and he'll do whatever it takes to save them—even abduct a woman who never knew of the powerful magic in her blood. Arrogantly certain he'll have Jilian's cooperation, he's shocked when she won't follow his royal commands but instead demands a trade—a cure for her mother in return for her help destroying the dark sorcerer.

Driven to join forces amidst treachery and secrets, passion strikes these reluctant allies... and in a world where love is the most powerful magic, falling in love is the most dangerous sorcery of all.
