Betrayed by the ruling families of Italy, a young man embarks upon an epic quest for vengeance. To eradicate corruption and restore his family's honor, he will learn the art of the Assassins.

Along the way, Ezio will call upon the wisdom of such great minds as Leonardo da Vinci and Niccolò Machiavello—knowing that survival is bound to the skills by which he must live.

To his allies, he will become a force for change—fighting for freedom and justice. To his enemies, he will become a threat dedicated to the destruction of the tyrants abusing the people of Italy.

So begins an epic story of power, revenge and conspiracy.
