Chicana/Latina Education in Everyday Life: Feminista Perspectives on Pedagogy And Epistemology

Chicana/Latina Education in Everyday Life: Feminista Perspectives on Pedagogy And Epistemology

This groundbreaking volume explores both Chicana/Latina feminist definitions of teaching and learning, and ways of knowing in education. The book's contributors Chicana/Latina feminist scholars reinterpret the field of education as inter- and transdisciplinary and connected to ethnic, racial, and womanist scholarship. They examine mujer- (women-) centered definitions of pedagogy and epistemology rooted in Chicana/Latina theories and visions of life, family, community, and world. Armed with the tools of Chicana/Latina feminist thought, the contributors link cultural studies theories to critical/feminist pedagogies by re-envisioning the sites of pedagogy to include women's brown bodies and their agency."
